*****COBC is committed to helping those who may need financial assistance. Please speak to Pastor Nathan and/or the Club Secretary for details*****

AWANA Service Discount: Parent participation is vital for AWANA Club to be a successful program. It also helps build family unity and sets an example for our children of how to serve in the local church. In order to encourage parent participation, we are offering discounts for parents who serve on a weekly basis in the capacity of Director, Leader, Secretary or Listener. Qualified volunteers must fill out an application, pass a background check, and attend basic training. For one parent serving, materials fee will be waived for one of your children. For two parents serving, materials fee will be waived for two of your children (\$30 Savings). Contact Pastor Nathan if you are interested in serving.

Multi-child Discount: If *more than 3 children* from the same household are enrolled in club, each additional child's registration cost is \$15 with materials fees waived. Cost for uniforms, additional handbooks and/or replacement for lost items still apply.

*****The multi-child discount does not apply if parents are receiving the AWANA Service Discount.**
