

# Growth Group Leader Guide

**Ephesians** – “The depth of God’s grace lived out in love.”

- **Read Ephesians 1-6.** After each chapter, stop and let the group make some observations.
  - **Leaders:** *If you read this book straight through without stopping it should take about 20 min.*
- I believe the overarching theme of Ephesians is unity and love. Yet, as you read through Ephesians, I am sure you (as a group) observed subjects that are controversial within the church. Please pray as a group for the following requests:
  - **First** – That God would open our minds and hearts as a church to the deep truths found in Ephesians – *to the praise of his glorious grace* (Eph. 1:6).
  - **Second** – That the deep truths found in Ephesians would unite COBC and spur us on to love one another more deeply than we already do.
