

5/22/2020

Dear Congregation,

We love you!!!

At the request of President Trump, it is with great joy that we announce that we are planning to meet in person with a “soft” reopening of worship services this Sunday, May 24th. While upholding our commitment to submit to the government (Romans 13:1-7), it has always been our conviction that the church is commanded to meet together (Heb. 10:25). We now see that we have the opportunity to accomplish both.

On May 24th, 2020 we will have two services, one at 8:30am and the other at 10:00am. The 10:00am service will be livestreamed.

Please plan to livestream if you

- Are sick
- Have been exposed to illness
- Do not feel comfortable attending

Unfortunately, ABF, Sunday School, and Childcare will not be available until further notice.

If you are willing to attend one of the services in person we suggest you continue best health and hygiene practices.

With Love,  
The Pastoral Team
